Draft Minutes of the Gloversville Public Library Board of Trustees Meeting November 19, 2019

The Gloversville Public Library Board of Trustees held a meeting on November 19, 2019 at 6:30 PM in the Large Meeting Room at the Library, 58 E. Fulton Street, Gloversville, NY 12078. Present were Mr. Mike Frank, Ms. Merry Dunn-Brown, Mr. Charles "Ren" Reed, Ms. Barbara Madonna, Library Director, Mr. Richard Carlson, Mr. Christian Rohrs, Mr. Gregory Niforos, Mr. Frank Carangelo, Mr. Craig Clark, Mrs. Jean LaPorta, Mr. John Blackmon, Ms. Nicole Hauser.

Mr. Clark called the meeting to order, and a special resolution acknowledging Mr. Frank's thirty years of service was recited. The board broke for recess to celebrate at 6:38 PM and resumed the meeting at 6:56 PM.

Mr. Clark asked if there were any public comment. Mr. John Blackmon commented about the departure of Ms. Barbara Madonna. Ms. Jean LaPorta announced, on behalf of the Friends, they had reluctantly accepted her letter of resignation.

Mr. Clark asked for a motion to accept the minutes for October. Mrs. Pesses motioned, with a second by Ms. Dunn-Brown. Additionally, Mr. Clark asked for a motion to approve minutes for the special meetings held in October and November, and Mrs. Pesses motioned, with a second motion made by Mr. Reed.

Mr. Clark asked Mr. Frank to review the Financial Report for the four-month period ending October 31, 2019. Mr. Frank informed the Trustees that our income for the current year-to-date was down approximately \$22,600 from last year due primarily to the decrease in the funds received from the Gloversville Library Foundation of \$65,000. This was partially offset by the Friends of the Library giving their \$10,000 for the current year's budget earlier than last year and the \$30,000 increase in the Tax Levy over last year. In the prior fiscal year, the Foundation gave the Library \$64,000 which has not been budgeted for in this fiscal year. Expenses for the year-to -date period of 2019 are up approximately \$47,400 due to higher salaries and salary related benefits, higher Insurance Expense and Utility Expense of approximately \$6,000 which the Library did not have in the prior year due to construction. Mr. Frank asked the Board for any questions or comments on the Financial Report. Hearing none, Mrs. Pesses made a motion, seconded by Mr. Rohrs, to accept the Financial Report as presented. This was approved all voting aye.

Mr. Frank distributed the Warrants list for November 2019 numbered 1929 through 1953 which was audited by John Blackmon our Claims Auditor. Mr. Blackmon found all claims to be legitimate claims for monies due from the Gloversville Public Library and recommended payment of same. Mrs. Pesses made a motion, seconded by Mr. Carlson, to approve the Warrants and to have Mr. Frank, our Treasurer, prepare checks for payment of these claims. This was approved all voting aye.

Mrs. LaPorta delivered an update from the Friends of the Library, during which she thanked the Board for all the help with fundraising this year. The book sale in October raised \$1,300. Books that were not sold will be picked up by Discovery Books which takes discarded books, etc. This will free up space in the Friends Storage Room which will help with reorganization. It is requested that more shelving be installed in the Friends Room to help with organization efforts. The Basket Raffle raised nearly \$1,759.00 in funds. Ms. LaPorta was very appreciative for all who donated a basket to the effort, including the basket donated by the Trustees. The September barbecue raised just over \$800.00 in funds. There will be another fundraiser held at the Colonial Little Theatre in April, 2020 for which Ms, LaPorta requests as much help as possible. Friends Week was a success as they were able to provide thanks and goodies to staff. On Monday, Dec. 2nd, Peck's Florist will be at the library to decorate, and members of the Friends will work to decorate the tree.

When asked for an update for the Foundation, Ms. Pesses noted that they did not have a meeting; however, the Foundation will be holding an appeal to nearly 387 local donors. Additionally, a letter has been issued soliciting donations from the community. Letters will be

sent to all who had previously donated to the capital campaign. All appeals are different from the Capital Campaign.

Mr. Carangelo delivered the monthly report from the Buildings and Grounds Committee. The pigeon netting has been installed over the front entrance. The B&G committee will review the service contract with PASCO to service the software that controls the heating and cooling of the building. Barbara has met with a local contractor re: supplying loose gravel along the building and with storm drains. Regarding the noise about the air conditioning system in the building, a representative from the company suggests the sound can vibrate off hard, metallic surfaces in the unit. There isn't much that can be done; however, quick fixes like installation of acoustic panels, for example, can help reduce the noise created by these units. Other quick fixes include hanging a curtain or a moving blanket to help reduce the noise. Ms. Madonna also noted that the parking lot bid should be out before the 1st of the year: putting it out to bid with a walkthrough meeting December 4th at 2 PM (optional meeting), the bid opening on December 19th at 2PM at Steve Smith's, Project Date: April 16th, 2020, Substantial completion June 19th, 2020. This includes a retaining wall, paving, new electric service, and three light poles. Ms. Shrader inquired if new curbing would be necessary; however, Ms. Madonna noted that the curb cut is already there, and may not be necessary for next to the side of the building. Mr. Carlson requested to take a closer look at the plans. Motion to approve those dates: TABLED. Also, Ms. Madonna noted that the county has opened bidding for the probation building on January 15th at 2PM. Also, Ms. Madonna noted that the basement got flooded from the water in the pipes to the chiller. The water flooded the gravel, and subsequently flooded the alcove to the Friends room. The fire department was called, and Mazzone and Chris Hopf reviewed the plans to inspect how the water got in.

The Ad Hoc Policy committee presented the second reading of a minor change to the Patron Borrowing Policy. After discussion, Mr. Niforos motioned to pass the revision, with a second motion made by Ms. Dunn-Brown. The Ad Hoc Policy committee also reviewed the changes to the Bylaws, Tabacco Use Policy and Public Notice Policy. The second reading of those will occur in December.

Ms. Dunn-Brown provided an update for the Outreach Committee. Ms. Robin Lair attended the Fall Fest at FMCC and Johnstown Retired Teachers took a tour of the library hosted by Ms. Betsy Batchellor and Mr. Reed. The Outreach Committee will be present at the Soroptimist Craft Fair. There will be a tote bag raffle and new ChapSticks are on the way. Next meeting will be in January.

Personnel met to discuss job description of Library Director. Mr. Clark inquired the comparison of the old job description to Civil Service requirements and job description. Ms. Madonna noted there is a little more oversight than action in the job description, therefore providing more supervisory requirements. The only part of the description that is different from the original job description was "original cataloguing"--a practice that is no longer in effect.

Mr. Reed noted that the Program Committee had not met; however, Ms. Madonna mentioned that there will be another Adult Open Craft Lab on December 7th. On December 14th, the Polar Express Event will be hosted in the Activity Room; Cocoa and Cookies will be served. Annual Jolly Readers Tea will be at 1PM on Sunday, December 15th.

Ms. Madonna delivered the Director's Report. More youth patrons were banned from the library today. However, on a positive note, a student who was banned came and apologized for misbehaving and was let back into the library. A local authors' event put on by the Library produced a lot of positive feedback heard by various members of the board.

During the President's Report, Mr. Clark requested to go into executive session. Mrs. Pesses made a motion, and Ms. Dunn-Brown made a second motion, and the board went into executive session at 8:29 PM. At 8:58, Ms. Pesses motioned to exit executive session, followed with a second motion made by Mr. Niforos.

Upon resuming the regular board meeting, Mr. Clark announced a resolution to accept the resignation of Library Director Barbara Madonna. She was recognized for her 21 years of service at the library, and it was widely noted how her efforts have shaped the library and its importance to the community. Ms. Pesses made a motion to accept, followed with a second motion made by Mr. Rohrs. The board approved with "aye".

Mr. Clark announced a resolution to appoint Ms. Nicole Hauser as interim director. Mr. Rohrs made a motion to accept, and Mr. Niforos provided a second motion. Again, the board unanimously voted in favor with "aye".

Mr. Clark requested a motion to adjourn. Mr. Reed made a motion to adjourn, and Mrs. Pesses made a second motion, and the November meeting adjourned at 9:14 PM.

Draft Minutes of the Gloversville Public Library Board of Trustees Special Meeting December 6, 2019

The Gloversville Public Library Board of Trustees held a special meeting on December 6th, 2019 in the Large Meeting at the Library, 58 E. Fulton Street, Gloversville, NY 12078. Present were Frank Carangelo, Charles "Ren" Reed, Christine Pesses, Richard Carlson, Craig Clark, Merry Brown, Susan Shrader, and Greg Niforos.

Mr. Clark called the meeting to order at 4:04 PM and immediately motioned to go into Executive Session, which was seconded by Mrs. Pesses and Mrs. Dunn-Brown, respectively.

Mrs. Pesses motioned to end the executive session at 4:20 PM.

Mr. Reed made a motion, seconded by Mr. Carangelo, to give the Library Director the authority to grant leave without pay to Patricia Devereaux and Linda Conroy from today up to January 22nd for the purpose of addressing medical issues contingent upon the submission of the proper leave of absence form and supporting documentation.

Mr. Carlsen provided the board with the engineer's estimate of \$133,750 to develop the parking lot at 66 E. Fulton St. Discussion included opportunities to reduce the scope of the project or possibility create a specification with an add-on alternate. The board will set bid dates at the next regularly scheduled board meeting.

Mrs. Pesses updated the board on the Foundation's first annual letter writing appeal launched in November. The initial round of letter were mailed to previous donors who live within the Gloversville Enlarged School District.

Mr. Reed made a motion seconded by Mrs. Pesses and to adjourn the special meeting at 4:53 PM.

This is my last report as Director of the Gloversville Public Library. I just want to say a quick thank you to the Board, Staff, Friends, Foundation, volunteers, patrons, Library partners and community with whom I have work during my time here. Despite my mother nudging me toward library work while I was in high school I never envisioned a career in the field. Nor did I ever imagine such a rewarding employment opportunity. The hurdles faced by the Library during the last 22 years were an exciting challenge for me, but one I could have never overcome alone. It was the teams assembled each time that were the keys to each success and the components that made each project such a satisfying experience for me personally. Thank you for your faith and support and the opportunity to serve as the first Director of the Gloversville Public Library (incorporated 2005). I know that the Library is in good hands with folks who are talented and passionate about how the Gloversville Public Library will serve our community for generations to come.

I would also like to note and recognize the Library's Treasurer, Michael Frank, who celebrated his 30th anniversary of service this month. He took over on a trial basis from the previous Treasurer, Louise Moses, for the Gloversville Free Library in 1989 and has been an incalculable asset ever since. The Library and the committee are fortunate to have such a committee individual. Thank you for all of your hard work, Mike.

With that out of the way, what did we do this month?

We noted our 1-year anniversary in our newly renovated space. With that in mind, some special statistics have been included in this month's report.

Room use November 2018-October 2019

Programs: 540 with 7,117 people Meetings: 386 with 1,752 people

Total room use: 1,026 uses with 8,759 people

A comparison with the <u>previous year</u> is flawed as the temporary space only had one viable meeting

room.

During the 2016-2017 fiscal year the Library was located at 58 E. Fulton St for 9 $\frac{1}{2}$ months with no accessibility to the two upper floor meeting rooms.

We now have five Meeting Rooms for Library events and public use. We have even utilized the Main Lobby at the parking lot entrance to host the US Census Bureau's recruiting table.

The new spaces are allowing us to bring new opportunities to the community include the author fair we held in November. Over 15 local authors manned tables to discussion their books, their process and their love of writing. Over 55 members of the public attended and the Q&A session was extended another 30 minutes. Our adult craft events have had a steady following for years, but are more popular than ever so Nicole has added some new classes. The writing and book discussion groups despite the popularity of the author fair. We are even using the Youth Activity Room occasionally for adult programs and meetings when the other spaces are full up.

As you can see, use of the collection is up almost across the board. The areas that show a decrease are slight and are highlighted.

New patrons November 2018-October 2019:

198 kids

535 adults and teens

Total: 733

Previous year new patrons:

62 kids

278 adult and teens

Total: 340

While these numbers quantify the work of the staff, the Board of Trustees have also been hard at work over the last year. With a new plan of service as a guide, the Board's committees have hit the ground running (and that is a good thing considering how many sustainability goals were drafted into the plan.)

It is my hope that moving forward the Plan of Service Tracker or Scorecard will be periodically incorporated into the Library's official record of business along with the Director's, Youth Services', and Statistical reports to chronicle that important work.

We also completed the first phase of inventory of the entire collection. While school libraries often perform annual inventories over the summer, the constant fluidity of a public collection, and the overwhelming amount of work, cause public staffs to shy away from such a daunting task. I will say that technology made this project a lot easier than the days of paper catalogs, but it is still a lot of work. So, congratulations to the staff for accomplishing this in about 3 weeks. There are two main points of inventorying. The first is to clean up the collection by fixing items that need repair and catching things that have been cataloged poorly; over the years our books in the adult nonfiction collection landed in 4 different call numbers for no good reason. And second, purging the database of items listed as "in," but cannot be located. It is very frustrating for staff and patrons alike to be told by the computer that we own something that cannot be found. These 'ghosts' also have a financial impact as we support the Joint Automation Services via fees calculated, in part, by the size of our collection. It is a waste of money to pay for items that we no longer own.

Children's Room Report: November, 2019 Sally Fancher – Head of Children's Services

The weather has finally decided to be blustery and cold on a regular basis. This means that we are a haven for many patrons. The teens have been on a wild spree as there is a new "alpha male" in the regular group. While it might seem like a feeble excuse, anyone who has ever dealt with a teen dynamic knows that one variable can change the whole group. We are still, and will continue being diligent with supervision, it is a never-ending task. Our goal is to firmly establish that we want the teens to have a nice place, and hope that they take ownership of the responsibility.

We were approached by a group of middle schoolers who wanted to discuss being allowed in the TEEN room. This group began the conversation with respectful and mature requests for a meeting, organized and gathered at a set time. During this meeting we came to the understanding that age does not determine behavior, behavior does. It was pointed out that we have many 15 year olds that behave much worse than the middle schoolers. After @ 45 minutes we decided that middle-high school kids should have access to the space, with the understanding that they get no second chances, and one rowdie group could ruin it for everyone. Shortly after that, a dozen middle schoolers were in the TEEN room, behaved, got bored and were playing board games and reading in the general area. The next day, same kids came back with no problems.

We have emphasized to the kids that we want them here, enjoying the space, but will not tolerate disruptive or disrespectful behavior. This is reinforced with evictions and calls to the police. Many have acknowledged that we will not give in, and have changed their behavior.

Outreach efforts are continuing to be successful. We visit daycares and schools as well as host events with community partners, here in the Library.

The TEEN Writing and Art group now has a loyal following of @ 6 kids. These young people have been very creative with character creation and developing settings. The TWEEN group is "hit or miss" depending on the weather. We have had some nice zodiac art, as well as some great sand sculptures.

Inventory of the entire youth collection was completed in less than one week, due to the hard work and team efforts of the staff. We are all hearing "beep" in our sleep!

The day and a half off for Thanksgiving was a much needed rest in anticipation of the cooperative event with the Gloversville Recreation Commission. This should be a very fun and busy day in December.

December Building Committee Report

- 1. The electrician is supposed to be showing up any day now to complete his punch list items.
- 2. We received an estimate from Steve Smith for the parking lot. We still need to set dates for the bidding and get it out.
- Checklists attached.
- 4. PASCO contract is still outstanding. I've been unable to reach Daniel Fasulo, who wrote the contract, to review it.
- 5. Sprinkler system. Nicole and I also noted last week, and for me again today, that the air compression in the sprinkler chase outside my office was running. Something that hasn't happened, that we know of, all year. Last week, we called the Fire Department. A battalion chief came to do an inspection and saw nothing amiss. A rep from PFP popped in today and also checked the air compressor and concurred that nothing was amiss. The last inspection was a year ago as part of certifying the system and obtaining our Certificate of Occupancy. The system needs to be inspected at least annually. With a dry system, like the one we have, they recommend spring and fall. I've contact Professional Fire Protection (PFP) in Johnstown and they will send over a proposal for the inspection.
- 6. I have calls into Mark Yost, the County's Director of Highways and Facilities, to see about a tour of the Probation Building. He needed to check with Jon Stead, the County Administrator.
- 7. We ordered replacement hose and nozzle for the bike repair station.
