## Draft Minutes of the Gloversville Public Library Board of Trustees Meeting February 21, 2017

The Gloversville Public Library Board of Trustees held a meeting on February 21, 2017 in the Reading Room at the Library, 58 E. Fulton Street, Gloversville, New York at 6:30 P.M.

The following trustees were present: Wanda Prew, Elizabeth Batchelor, Merry Dunn Brown, Lisa Buggeln, Craig Clark, Brian Mazza and Christine Pesses. Michael J. Frank, Treasurer and Recording Secretary, Barbara J. Madonna, Director of the Gloversville Public Library, Jean LaPorta, President of the Friends of the Gloversville Public Library, Nicole Hauser, Librarian I, and John Blackmon, Claims Auditor for the Gloversville Public Library, also attended the meeting. Robin Lair and Jay Ephraim were excused from the meeting.

Mrs. Pesses, President of the Board of Trustees, opened the meeting by leading the Trustees in the Pledge of Allegiance.

Mrs. Pesses asked if there was anything anyone from the public wished to present at this time. Hearing nothing, the regular meeting was convened at this point.

Mrs. Pesses asked the Trustees to review the minutes of the Regular Meeting of the Trustees held on January 24, 2017. Mrs. Pesses asked if there were any corrections or additions to the minutes of the meeting as presented. Hearing none, Mrs. Prew made a motion, seconded by Mrs. Buggeln, to approve the minutes of the meeting as presented. This motion was approved all voting aye.

Mrs. Pesses asked Mr. Frank to review the Financial Report for the month of January 2017 and the seven month period ending January 31, 2017. Mr. Frank informed the Trustees that our income for the year to date is up approximately \$86,200 from last year due primarily to the increase in the Tax Levy. This was partially offset by lower income from the Gloversville Library Foundation as planned as the Foundation is holding back funds to pay for borrowing costs related to the Master Renovation Plan. Expenses this year are up approximately \$35,000 from the prior year period primarily due to the higher salary expense related to raises given to the employees effective July 1, 2016 and higher pension costs in the current year. The Computer and Automation line is also up from last year due to new computers purchased for the Children's Room. These increases were partially offset by lower medical insurance expense due to fewer employees in the plan in the current year. Mr. Frank asked the Board for any questions or comments on the Financial Report. Hearing none, Mr. Mazza made a motion, seconded by Ms. Dunn Brown, to approve the Financial Report as presented. This was approved all voting aye.

Mr. Frank distributed the Warrants list for February 2017 numbered 821 through 847 which was audited by John Blackmon our Claims Auditor. Mr. Blackmon found all claims to be legitimate claims for monies due from the Gloversville Public Library and recommended payment of same. Ms. Batchelor made a motion, seconded by Ms. Dunn Brown, to have Mr. Frank, our Treasurer, prepare checks for payment of these claims. This was approved all voting aye.

Mr. Clark informed the Trustees that the Finance Committee had met on February 16, 2017 and that they had started discussing a five year financial plan for the Library which will include new items such as maintenance contracts for the elevator. The Committee also discussed the additional need for managing the bill paying during the construction project. The Committee will be meeting again in March to continue to explore what changes will be necessary in future budgets for the Library.

Mrs. LaPorta informed the Trustees that the Friend's had also set up an account with the Amazon Smiles program to help increase their income. Mrs. LaPorta also informed the Trustees that the due date for their pie sale orders was March 25, 2017 and that the pies will be ready for pick up on April 12, 2017 at the Church of the Holy Spirit. Mrs. LaPorta also informed the Trustees that the Friends will be having their barbecue on May 19, 2017 and will also be having an ice cream fundraiser at the Perfect Scoop in Meco this summer. Mrs. LaPorta also informed the Trustee that a spaghetti dinner is planned for this fall and that the Colonial Little Theater had approved them having another fundraiser there later this year. Mrs. LaPorta also informed the Trustees for the Friend's next newsletter need to be in by March 15, 2017. The Friends next meeting will be on March 2, 2017.

Ms. Madonna also informed the Trustees that when considering the Library's long term future, after the renovation, we need to expand the staff beyond Library Clerks to positions that really support the community's needs. Library Assistant is a very versatile title somewhere between a Clerk and a Librarian that should be added to our staffing plan. Ms. Madonna said that she is also considering a Senior Library Clerk who would oversee all the Library Clerks who will be spread over two or three levels of the renovated library.

Ms. Dunn Brown informed the Trustees that the Program Committee is looking for craft help in the Adult Department. Any volunteers would be appreciated.

**Gloversville Public Library** Director's Report: February 2017 Barbara Madonna – Director

The New York State Annual report was completed and submitted during February. Staff started inventorying the collection before we move. This way we'll know what we had before we moved in case anything comes up missing. MVLS and SALS have implemented new collection agency procedures that automate the process through Polaris. It reduces the chance that we will forget to report back to the agency when books are returned and fines are paid by patrons.

Kucel Contractors made terrific progress with renovating the temporary space at 34 W Fulton Street. I worked with Michele Largeteau and her staff at Joint Automation to plan the networking of the temporary space.

We made progress with Civil Service to reclassify the Head of Children's Services position from a Senior Library Clerk to a Library Assistant. We also received the newest list for Library Clerk so we can conduct interviews and fill in an afternoon spot in the Adult Department.

Ambient Environmental performed some additional hazardous material testing. This will be used to design the Haz Mat abatement that is needed for the renovation.

I attended a Pre-Advocacy Day at the end of the month. The Governor's budget cuts Library Aid back to the 2015 level, negating the increase we gained during last year's budget session. While we have terrific support in the legislature and are seeing support in each of the one house budget proposals, there is still the step of negotiating with the Governor's office on the final budget. For example, last year, both houses proposed increasing the Library Construction Aid program by \$10 million. The final outcome was an increase of \$5 million. We were thrilled. MVLS portion increased from \$380,000 to just over \$500,000. But there is still \$2.2 BILLION in needed library construction across the state.

So advocacy to the Governor's office is still needed. And Thank Yous need to be sent to our legislators who really are library champions at this point.

Betsy and I also met with Paul Mays and Lisa Hayes from Butler Rowland Mays Architects and Jeff West and Christopher Hopf from UW Marx to talk about our timeline for going out to bid, moving and the DLD grant for the elevator that expires June 30. We received a really good wake-up call after months of languishing in the waiting game. It appears we have crested the hill after months of slogging to push the boulder up it and now we are feeling a little out of control and we speed down the other side.

Our key projects, renovation of the temp space, loan, bid documents and finding a mover are still paralleling each other, but we are running out of time to get the rest of our ducks in a row. The next few months will be a wild ride. Hang on!

Children's Room Report: February 2017 Sally Fancher – Head of Children's Services

The Groundhog saw his shadow but that did not deter the families from coming to "Take Your Child to the Library Day". The Children's Room was designated a "no phone zone" for the day. While it should be common knowledge that you shouldn't be on your phone in the Library, many parents silently text and check Facebook while their kids play alone. On this day, the objective was for the families to play, read and create together. It was a grand success with over thirty children attending with families: making crafts, playing board games and participating in a scavenger hunt. We also had a display of books from different decades and encouraged parents to find stories from their youth that would be fun to share with the little ones. Quite a few parents did just that; there were many individual story times. We also used this time to promote our services and remind people that we will be moving.

A local Girl Scout troop requested a tour with emphasis on the renovations that would make the building more energy efficient. The tour was arranged during their meeting time on February 6, and the girls completed several requirements for their environmental themed badge.

The February "Every Child Ready to Read" workshop had 5 participants and went very well. We will be taking this workshop on the road in March to the Mothers of Preschoolers program at Foothills Methodist Church. Nicole has created a great brochure of Early Literacy and other Library programs that will be part of the "New Mom" packet distributed by Nathan Littauer and HealthLink.

Nicole and I attended the Summer Reading workshop (Build a better World) and got some great ideas for new program possibilities and we have begun the scheduling process. We have new performers and some returning favorites. At last count we had about 16 planned events. Last summer we continued Story Hour while the Friends were on hiatus and it was a success. We hope to build on this by making story hour "Stories a la Cart" (my traveling wagon is the cart). We have reached out to local businesses and asked them to host story time in their buildings. The idea is to engage the community in literacy events, promote area business and show how the community is connected to the theme of the Summer Reading program. The Fulton County Museum has already volunteered to be a host site.

We had two days of themed after school crafts: Valentine's Day and Mardi Gras. Both days saw many children and their parents enjoying glitter, sequins and all sorts of creativity. Our new tradition of having three days of drop-in crafts during school breaks continues to be a success. We had over 60 crafts made from February 21-23. Many families stayed and explored the Children's Room and read with each other. Also, the afterschool crowd has been using the maker cart on a regular basis and we have impromptu story times while the kids are working. The new favorite story is about ice cream and dinosaurs.

Themed Story Time on February 25 had low attendance, but the audience was enthusiastic and happy.

This month's outreach included:

- Tour for Girl Scouts 2/6
- Fulton Center- 2/14
- Every Child Ready to Read workshop- 2/15
- Salvation Army After School Program- 2/16
- Bright Futures Day Care (two groups) 2/17
